

# A Dynamic Community Deserves A Dynamic College

College of the Canyons is committed to providing Santa Clarita residents and the local business community with the resources needed to thrive in a changing economy. From customized training, to career certificates, to advanced degrees, we have what you need.

## WorkSource Center

The Santa Clarita WorkSource has added a new program to assist employers with the expense of training new employees. This On-the-Job Training program can help cover the cost of a new employee while they are in training, see the spotlight for more information.

### Economic Development Division

(661) 362-3521 [canyonssecondev.org](http://canyonssecondev.org)

### Employee Training Institute

ETI's customized training helps drive down costs and expand the talent within your workforce.

### Small Business Development Center

Whether you're launching a start-up, or growing an existing company, the SBDC offers free one-on-one consulting to take your business to the next level.

### Center for Applied Competitive Technologies

The CACT provides training in the areas of Computer Aided Design (CAD), Computer Aided Manufacturing (CAM) and CNC machining. Additionally, it offers technology introduction services and partners with the ETI in delivering Lean training and consulting.

### Center for International Trade Development

Business owners and entrepreneurs count on CITD's experience and insights to grow successfully through the stages of export/import trade development.

### Information Communication Technologies and Digital Media Initiative (ICT/DM)

ICT/DM Initiative partners with education and industry to build sustainable pathways for technology focused careers, driving employment and economic development.

### WorkSource Center

The WorkSource provides comprehensive services to employers seeking qualified candidates for their current or upcoming openings and to job seekers looking to find sustainable employment.

## February SPOTLIGHT:

### **MS Aerospace and The Santa Clarita WorkSource Center Announce Training Agreement.**

MS Aerospace and the Santa Clarita WorkSource Center have reached agreement to pilot an On-the-Job (OJT) training program for new employees at their facility. This program will use the combined resources of the Santa Clarita WorkSource Center and the MS Aerospace training organization to help fill the demand for new workers.

Each participant will have an individual OJT training plan developed to match the specific needs of both the job and the individual. Qualified candidates for their open positions will be screened for enrollment eligibility and if selected for employment, MS Aerospace will receive up to 50% of the new employee salary back in the form of a reimbursement to offset training expenses during the 90 day training period.

To see if this program could help your company with its hiring needs please contact Keri Aaver at (661) 755-4566
