

Beginning Mastercam®2019

84 Hrs

This class will cover the basics and highlight the new functionality of Mastercam 2019 and will point out the differences between older versions and the new Mastercam 2019. Students will learn programming, toolpaths, and many other features and benefits of the power of the Newly-Released Mastercam 2019.

New Training topics to include:

- A hands on over view of the basics of using Mastercam to draw and program basic parts
- All new dynamic toolpaths with better control of Tool Engagement
- A real look at how to handle model files from outside CAD systems and program them
- Introduction to solids and new enhancements design tools added (Model Prep)
- How to bring your part in and use the WCS efficiently to program your part
- Intro into the new configurations and layout of the new system (All New feel and look)
- Intro to the proper use of tools and holders, along with use of tool libraries
- Learn the appropriate use of Stock Models
- With Mastercam's new 2019 release, we will take you thru the new tools and enhancements.

Objective:

Upon completion of this class students should be able to perform basic 2D work, including 3d basic modeling and toolpathing for VMC and HMC mills using Mastercam 2019. Should be able to bring in a CAD model from an outside source and get ready to path.

Prerequisites:

- Basic computer skills
- Two (2) years of machine shop experience

ETI instructor Jayson Kramer has been working in the manufacturing industry for more than 20 years. He has been a CAD/CAM programmer with Mastercam for over 25 years, and is a Certified Mastercam Instructor. Jayson has had his own CAD/CAM programming business since 1994. He has been teaching Mastercam programming at different technical schools and colleges since 2000. Jayson has been teaching for ETI since 2002.

**Employment Training Panel (ETP) State Funded Training*: \$350.00 per eligible employee
Non-ETP COST: \$2,638.00**

WHEN:

**Tuesdays
July 24, 2018 – December 18, 2018
4:30pm – 8:30pm
No Class 9/11/18**

WHERE:

**Center for Applied Competitive
Technologies, housed at Aerospace
Dynamics Intl.
25571 Rye Canyon Rd.
Santa Clarita, CA 91355**

**For more information or to register, please contact Jacey Hogan
at 661.362.5657 or jacey.hogan@canyons.edu**

*For employees of eligible employers. Employees are not considered registered until all paperwork is received, the participant fee, per trainee, has been paid to the Santa Clarita Community College District and the Employment Training Panel has determined eligibility. State subsidy is contingent upon the trainee completing all the Employment Training panel requirements. Please contact the Employee Training Institute, 661.362.5657, for details on eligibility requirements.
