

Leading with Strengths

More than 17 million people have used Gallup's Strengths assessment to discover what they do best. This workshop will help you to capitalize on your Strengths so that you can spend time on the activities where you have the most positive impact on your team. This workshop also helps leaders to *invest in the Strengths of those they lead*.

The **Leading with Strengths** workshop will help you to discover what you do best and how to *use your unique Strengths every day intentionally*. Building on your strengths is a proven way to effectively increase productivity at work and in teams. According to the Gallup Organization, participants are:

- Six times more likely to be engaged in your job
- Three times more likely to have high well-being
- Significantly more likely of being a highly productive team member

This interactive workshop is both fun and engaging, and will leave you inspired and excited to focus on your strengths. Here are a few of the benefits of attending this program:

- Discover what you naturally do best
- Learn how to develop your greatest talents
- Use your customized assessment results to live your best life
- Improved self-awareness
- A new way to explain who you are to others
- Proven ways to improve your performance

Who Should Attend: Anyone who wishes to improve their productivity, self-awareness and effectiveness in their personal and professional life.

Trainers: Jonae Pistoresi & Patty Pistoresi, Certified Gallup Strengths Coaches

Prior to the workshop, participants must take the Strengthsfinder 2.0 test in the book (Discover Your Clifton Strengths) **and bring your customized Personal Insights report to class.**
