# CNC MACHINIST & PRE-APPRENTICESHIP TRAINING PROGRAM

**PROGRAM SUMMARY:** This program is for candidates seeking entry-level positions in CNC manufacturing operations and possibly an apprenticeship position.

CNC machinists use tools such as computer numerically controlled (CNC) lathes and mills to produce precision metal parts requiring the use of complex operations and great attention to detail. The CNC machinist controls their CNC machine in performing all necessary cuts to complete an operation or to create a complete part.

**AUDIENCE:** Candidates seeking entry-level positions in manufacturing.

**REQUIREMENTS:** Basic computer skills and successful completion of ACT WorkKeys assessments in Applied Math and Workplace Documents at a Level 4 or higher.

**Course fees may be waived for qualified applicants including unemployed individuals or individuals working part-time. Contact America's Job Center of California at (661) 298-0152 or visit: <http://workforce.lacounty.gov/>**

**Advanced registration is required. Register at <https://tinyurl.com/ftcnc20>**

**For general information about our program, please contact:**  
Lynda DePerno at (661) 362-3112 / [lynda.deperno@canyons.edu](mailto:lynda.deperno@canyons.edu)

**For additional Apprenticeship information, please contact:**  
Jeffrey Forrest at (661) 362-3144 / [jeffrey.forrest@canyons.edu](mailto:jeffrey.forrest@canyons.edu) or  
Tracy DiFilippis at (323) 477-3923 / [tdifilippis@goodwillsocal.org](mailto:tdifilippis@goodwillsocal.org)
